

## Care Partner U: An Educational Symposium for Care Partners of Individuals with Parkinson's Disease

Saturday, May 3, 2025 11am-3pm  
Embassy Suites Cleveland Rockside in Independence, Ohio

***Presented by Cleveland Clinic, a Parkinson's Foundation Center of Excellence***

### FEATURED SPEAKERS

Patricia Clark, APRN-CNP

Darlene Floden, PhD

Taylor Rush, PhD

Ellen Walter, APRN-CNP

This educational event will allow care partners of individuals with Parkinson's disease to learn about resources available to them in the community and learn valuable steps they can take to care for themselves and where they can voice their concerns and have questions answered.

Together, individuals affected by Parkinson's disease, local organizations and medical professionals will work alongside each other to improve the quality of care and enhance the level of information available to care partners of individuals with Parkinson's disease.

There will be limited space available for individuals with PD for a fun day in a separate room from the Care Partner program.

**Register Today Online!**
